• **AquaLife Spirulina Flake** is a special diet containing a high concentration of Spirulina, a blue-green algae, which is beneficial to plant eating fish. Spirulina is also a strong source of important pigments to enhance the natural colors. Spirulina also stimulates immune systems to attack gram negative bacteria and reduce disease problems. This is especially important for marine fishes which tend to be more delicate and disease prone. This diet is appropriate for all freshwater and marine species.

- Maximum Spirulina
- Color-Enhancing Pigments
- Maximum digestibility
- Vitamins including Stabilized Vitamin C
- Maximum Absorption, Low Waste
- Contains Garlic

Ingredients: Fish Meal, Spirulina, Wheat Flour, Shrimp Meal, Fish Protein Concentrate, Torula Dried Yeast, Brine Shrimp, Carotene, Fish Oil, Garlic, Lecithin, Vitamin A Palmitate, DL- α -Tocopherol Acetate, D-Activated Animal Sterol, Thiamin Mononitrate, Choline Chloride, L-Ascorbyl-2-polyphosphate, Calcium d-Pantothenate, Inositol, Niacinamide, Riboflavin Supplement, Pyridoxine Hydrochloride, Folic Acid, Menadione Sodium Bisulfite, Biotin, Vitamin B β Supplement, Red 3, Yellow 5.

Guaranteed Analysis: Min. Crude Protein 41%, Min. Crude Fat 4%, Max. Crude Fiber 6%, Max. Moisture 8%, Min. Vitamin A 8000 IU/lb, Min. Vitamin D 800 IU/lb, Min. Vitamin E 100 IU/lb, Min.
